Dear Todd:

Account number:

Review status: Vehicle/Vessel Contract Application

IVIPS account information access denied:

Upon careful review of the information provided on your application, we determined that yours is not one of the permissible uses under which release of this information is allowed, pursuant to the federal law called the Driver's Privacy Protection Act (DPPA), 18 USC Sections 2721 and 2725; and state laws RCW 46.12.630, RCW 46.12.635 and WAC 308-10-050(3). On your application, you stated as your reason for access:

- Security services are responsible for parking enforcement at the university. All vehicle operators who park a vehicle on university property must obtain a permanent or temporary (daily/visitor) parking registration decal or placard. By university policy each registration must contain accurate license plate and vehicle registration information. We cannot enforce parking regulations without complete and accurate license plate and vehicle registration information. Please approve this application so I can verify that provided vehicle license plate and State licensing/registration information is accurate.
- We require faculty, staff, and students to register annually for parking. Parking registration is required and includes providing vehicle license plate and contact information. Permits expire each year at the end of June. Registration is done on-line. At this time we do not charge for parking, but we are looking at changing this. Parking is assigned by lot (i.e. students can't park in faculty lot) and is enforced by issuing citations. We have a parking lot for visitors for up to about two hours. Visitors parked after 2 hours need to register and obtain a placard. Visitor placards – depending on length of stay-may allow parking in the restricted (faculty or student) lots.

We are committed to providing equal access to our services.
If you need accommodation, please call 360-359-4001 or TTY 360-664-0116.

- We do enforce parking by issuing parking citations. There is a monetary fee associated with the citations/violations. Vehicles with 3 unpaid/un-responded to citations are subject to impound.
